

A Rook cannot jump a man it takes a piece right where it stands.

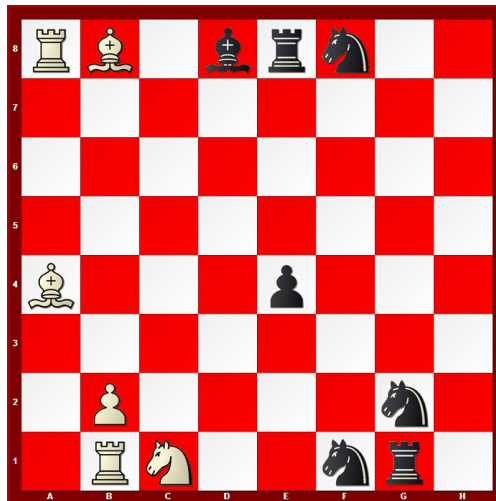

Rooks cannot jump over their own men or the enemy's men.

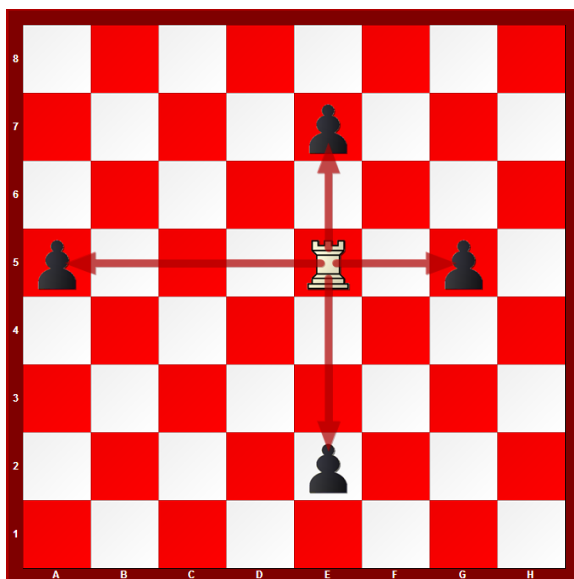

The arrows show how the Rooks can move

Challenge 26-1000pts

Draw an Arrow showing where the Rooks can move to.

Rooks capture the same way that they move.

The White Rook can take any of the Black Pawns.

Challenge 27-1000pts

Circle the Pawns the Rook can capture
